GURUGUBELLI AVINASH

has successfully completed the online, non-credit Specialization

People and Soft Skills for Professional and Personal Success

In this specialization, learners gained essential knowledge and skills to develop “success skills” also known as soft skills. These skills give learners the ability to be successful in their professional life. After completing the six courses offered in this program, earners of this certificate show proficiency in collaborating effectively, delivering quality work, solving problems with creative thinking, interpersonal skills, and creating quality presentations. At the end of the specialization, learners completed a final quiz inspired by real world situations to demonstrate and apply their new knowledge of People skills.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
